June, 2013

Dear Pastor Friends and Church Family,

I am very thankful to God for each of you for your faithful prayers and financial support. Brothers and sisters, I pray that this letter finds everyone well. Things are going fine here in Togo in spite the heavy raining season that started in April. Two weeks ago we had a heavy storm in Northern that destroyed one part of our new church building at Korbongou. I was sad because we have made all the preparations for the roof, just waiting for only \$2,400 to come down in order to buy the roof when this happened. By the grace of God the damage was not so bad and can be fixing quickly. On June 29, we plan to have a big open door day evangelism through the town with two other churches that will help us. We will knock each door in town. Many brothers and sisters promise to be there. Maybe 70 people will be there to give the tracts out. I am sure that more souls will be saved that day. This is the first series plan of soul winning that I am trying to put in place. Keep praying for me.

Here a few prayer requests I need you to pray for:

1. We need a least \$2,500 (this budget was never changed) to organize a youth camp meeting this year 2013 on July 28 to August 3. Last year we had more than 400 teenagers and many made a profession of faith.
2. On September, the team of Rock Age ministries will be again our country in order to preach to inmates in northern prison also.
3. I plan if God's will to start the building process for the Sunday school and children class in the beginning of next year with our church's own budget.
4. Do not forget to pray for our home church building that will cost us \$60,000.

May the Lord bless all for your faithful prayers, love and support.

In His service,

**The Agbodo Family**

Missionaries to Togo, West Africa

P.S. Do not forget this verse:

**Jeremiah 17:13**

<sup>13</sup>O LORD, the hope of Israel, all that forsake thee shall be ashamed, *and* they that depart from me shall be written in the earth, because they have forsaken the LORD, the fountain of living waters.
