September 2022

Dear Pastor and Friends,

We are so thankful that God is faithful in spite all challenges we are facing in Togo and Burkina Faso. The security situation in Burkina Faso and north of Togo is still not good. In this period of fear God is still working, the souls were saved, and many children are saved through our VBS. After two years of churches closed by the government due to covid-19, although the attendance had dropped a little, but churches are still fine in spiritual ground.

We held two VBS in two of our churches these two months with 471 attendances and 171 children that made profession of faith.

At Faith Baptist church of Tsevie: 146 attendance with 36 confessions of faith

At True Light Baptist church of Apedokoe: 325 attendances with 135 confessions of faith

We are seeing the consequence upon every ministry the way Satan had used the fear of covid-19 to slow the work of God. We do still not reach the level we were before covid-19, but we will be by the grace of God. The only things I can say God never abandoned his people. We are so far at 85% for Sunday morning service and at 40% for the Sunday night service.

At Faith Baptist Church

Although we are at 85% of our attendance for our first church, some of our mission churches are growing in attendance. From forty-five attendance we are now between 60-68 attendance.

Pray that God will give us the strength to fight for our faith in the mighty God, find more supporting churches and the solution of the land situation to support the growing of the church. The price is beyond imagination \$50,000.
