December 2022

Dear Pastor and Friends,

We are so thankful that God is faithful in spite all challenges of insecurity we are facing in north of Togo and Burkina Faso where the terrorists are continuing to kill a people.

The Lord had done again, one my half big sister was saved and baptized after the government removed the most restrictions, we are able to hold our first service at our third church "True Light Baptist Church Kleme."

I am so happy about this baptism because the woman in (4) picture is my half big sister. Like you know that my father was married to four wives and has fourteen children (3 deaths). Now the four wives were saved, seven children of my father were saved and four still not yet saved.

In Burkina Faso, the security situation leaves many children without school, some parents asked us if we can open school for children which we did. We opened two classes to help these little children.

In Burkina Faso, the cold has started, and we held evangelism ministry at one of our churches Nabiono where the attendance was 145 and 5 precious souls was saved.

We are looking \$1,440 to pay (tuition fees, books, transport, and foods) for three of our preacher boys to finish their last school year of training.

Brothers and sisters, can you pray hard for that God will provide the fund of \$50,000 to buy the half of this propriety that we are looking to build the temple in. The lady that owns that propriety had agree to sell to us. Even though the price of one lot is so high (35.000.000 FCFA= \$70,000), I believe if we give her \$50,000, she will accept. We need a miracle, we have just a few months to raise that money.

I am finishing this prayer letter by wishing everyone a wonderful Christmas and happy year 2023.
