March 2023

Dear Pastor and Friends,

The security situation in the north of Togo has led to population displacements. The incursion of terrorists with multiple attacks has increased fear among the population. Let us pray for armed forces which are fighting against these terrorists.

Thank God, in spite the fear of Terrorists we baptized twenty-five (25) people and among these people one blind women.

Pictures of the blind lady that was baptized.

In Burkina Faso, in spite the insecurity in Burkina Faso, my team keeps going, doing what the Lord calls us to do, preach the Word of God. We held open Evangelism in Village of Bagrouatenga with 1500 population. 45 precious souls were saved (15 men and 30 women). Now we have to build a shelter for them that would cost around \$4,600.

We held the first worship service on Sunday February 26, 2023, under Mangoe trees and a attendance was OK.

We are still looking for \$1,440 to pay (tuition fees, books, transport, and foods) for three of our preacher boys to finish their last school year of training. Keep praying that the Lord would provide the fund of \$50,000 (received so far \$4,000) that we need to buy that propriety. We need a miracle.
