December 2023

Dear Pastor, church family, and praying Friends,  
 Brothers and sisters, our Lord is always faithful and has continuously been blessing us in spite of many terrorist attacks we are facing in Burkina Faso and North of Togo.  
 Even though we are facing many challenges because of these atrocities of these terrorists, all of our churches' ministries are doing fine.  
 One of the challenges we are facing right now is to feed 120 children without parents. Some of these children lost their parents, killed by terrorists. Feeding these children on a daily basis became a burden but by the grace of God we are managing it. We have opened two school classes for these children. Our prayer is that soon security and peace will prevail.

Some our churches in north of Togo have seen the attendance decrease a little because of the fear of terrorists' attacks and farming season.

Other churches keep growing and more souls are saved through our ministries in both countries.

### **Prayer Requests**

We want to thank God for moving for our land project. We have right now in the Bank \$25,000. We just need twenty-five churches to give \$1,000 each to make this possible. Project need: \$50,000. In account: \$25,000. We need an additional \$25,000.

Thank you for being faithful to pray and give toward our ministries. Pray you all have a very Merry Christmas as we celebrate the birth of our Lord Jesus Christ, and a Happy New year as we serve together for the furtherance of the Gospel.
