March 2024

Dear Pastor, church family, and praying Friends,

Brothers and sisters, our Lord is always faithful and has continuously been blessing us in spite many terrorists attack we are facing in Burkina Faso and North of Togo.

From January 2024 to March, we have seen the hand God in salvation. God still saved people in this terrible situation with the fear we are living in.

In North of Togo, seventy-eight (78) souls (29 adults and 49 children) were saved in village of Tagbamote 7 km of Korbongou where we went to present the Gospel. On average 23 people come to the church at Korbongou. No bus ministry, they must walk or take motorbike taxi. Even though this village is open for the gospel we cannot open a new church because of lack of funds.

In Burkina Faso, The Lord is using our brothers to reach many people in spite the general fear of attack of Terrorists. Thirty-eight (38) precious souls were saved and nineteen (19) will be baptized on Easter Day.

Our brothers in Burkina Faso are fighting to help schooling children displaced by war. 6149 schools were closed from December 2021 to May 2023 in Burkina Faso according to the Government. The fear is everywhere because Terrorists can conduct attacks anywhere now with little or no warning. To be honest the situation is not good.

The kidnapping and terrorists' attacks became a main concern in West Africa. When we read 170 killed in Burkina Faso 250 students kidnapped in Nigeria 100 women kidnapped, and the fear of alleged terrorist attack which caused the population to flee their village make it exceedingly difficult for mission works. Not only do we have to look at the spiritual need of people but also physical need is particularly important. When people are calling you to help, and you cannot give this help that makes it very hard for the mission. Just look at the pictures of these younger teenagers where their future is compromised by these evil actions.

Prayer Requests

We want to thank God for moving for our land project. We have right now in the Bank \$27,000. We just need twenty-three churches to give \$1,000 each to make this possible. Project need: \$50,000. In account: \$27,000. We need an additional \$23,000.

Thank you for being faithful to pray and give toward our ministries.
